

NATURE COLOR COLLECTION

ACCENTURY SELECTION

OUR VISION

“Technology
is how we add
things to the
world”

— ANNE CHAPMAN

COLOR COLLECTIONS

“Color is the place
where our brain and
the universe meet.”

— PAUL KLEE

Our full range has been divided in four collections according to its texture to help to find the perfect colors to create unique sensations in a owned and styled collection.

COLOR COLLECTIONS

HARMONY

FIND THE PERFECT BALANCE

Light-colored woods, smooth textures, treated avoiding knots, to create continuity.

TRADITION

SOLID CHARACTER IN THE PATTERNS

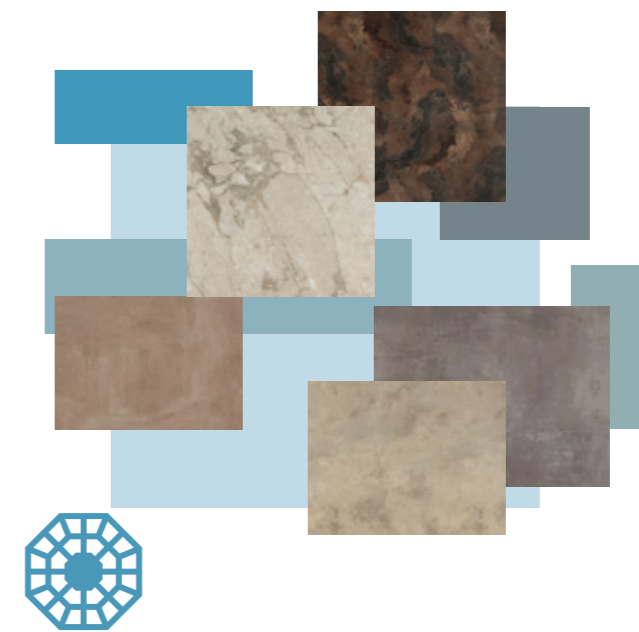

Woods with strong textures; knots, imperfections and gradients that give a lot of personality.

VISION

FEEL THE EMOTION IN EVERY COLOR

Mix of woods and stones with other materials to achieve unique elements that stand out for their intensity.

NATURE

LEARNING FROM THE EARTH

Natural stones, marbles and concrete, selected looking for the purest beauty of nature.

NATURE COLLECTION

LEARNING FROM THE EARTH

Our **Nature collection** is the learnt from the Earth, where natural stones, marbles and concrete, selected looking for the purest beauty of natures make it all. All the colours have been chosen for being long-lasting, enveloping an area with the essence of nature together with luxury.

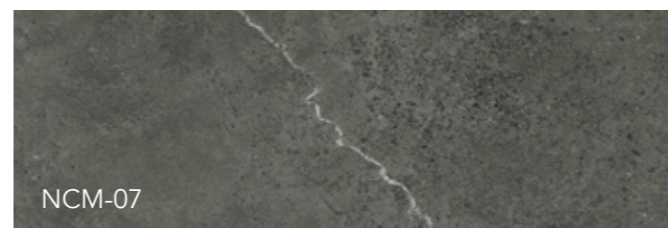

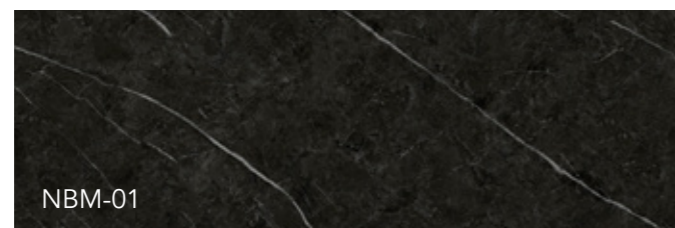

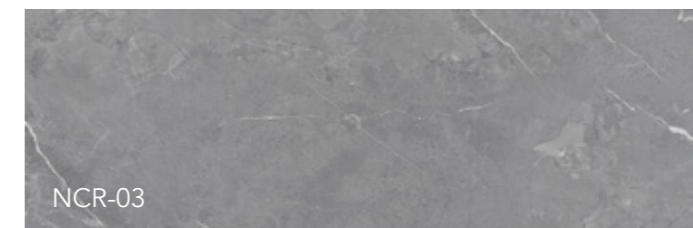

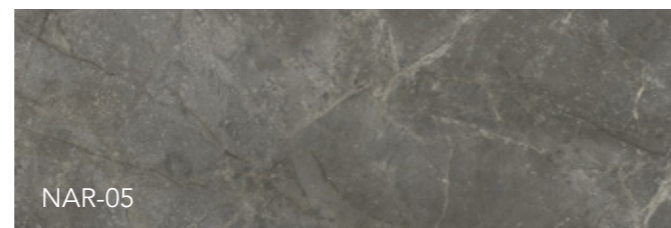

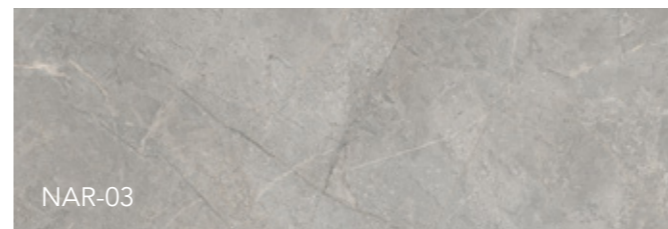

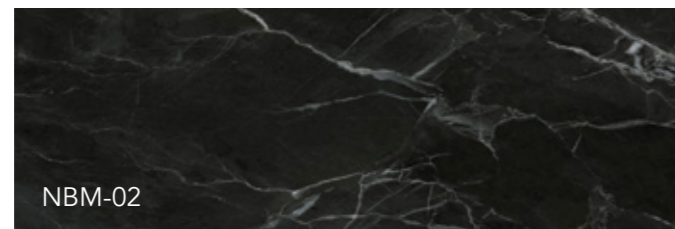

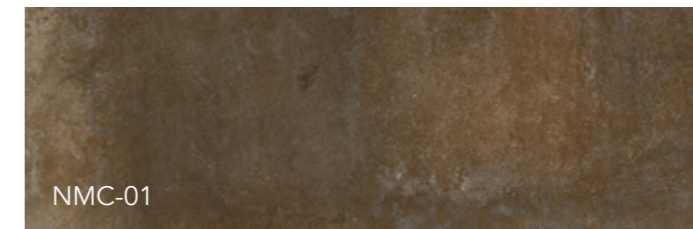

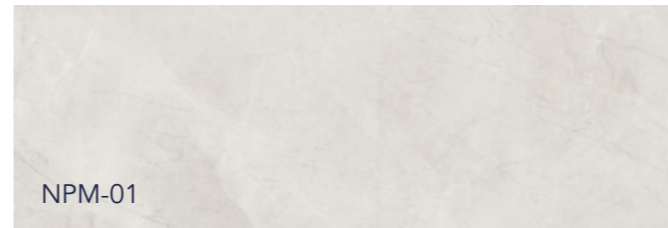

THE ACCENTURY SELECTION

Inspired by the Ancient Greek and in the Renaissance movement in Europe we emerged with **the Accentury selection**. Marbles take the main focus on creating decorative areas with unlimited creativity but all the colours have been curated to bring the most revolutionary trends with the possibility to mix different designs and create an unique interior decoration.

The Accentury selection brings the nature of the most demanded designs, being able to match Flooring and Wall covering to get an area high-styled and last trended. Providing a comfy, classy and fresh feeling, and thanks to its versatility, are able to combine with the decorative elements in all private and public areas such hotels, offices...

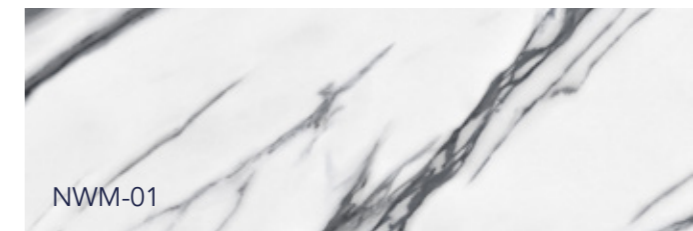

Let the immensity of nature
inspire in all the possible
ways, with contemporary,
classic and modern finishes.
